Renee Percy

We asked comedian and actress Renee Percy to answer some of your random questions. She also has a new music video (check it below) "Tooted and Booted," which is a parody of YG's video "Toot It and Boot It."

First Memory that pops into your head:

Someone holding me upside down and slapping me on the ass. Funny, that happened to me last night as well. Hmm life really is cyclical.

Hardest thing you ever had to do?

My ex.

5 Favorite Foods?

Turkey dinner with stuffing, cranberry sauce, sweet potatoes, chocolate pecan pie, and -oops sorry mashed potatoes, I'm only allowed 5.

Funniest Thing You can Think of that you saw/heard/experienced:

A friend getting smacked in the face by a pigeon while biking. Okay, it was me.

Best Prank You ever did/received:

My friends used to prank me by pretending they didn't know who I was but that didn't stop me from still going over to their houses, and hanging out there, in a tree, outside their bedroom, with binoculars. It was hilarious.

5 Things You cannot live without:

My dog.

My iPhone.

My dog.

My iPhone.

My husband.

Yes, in that order.

Wii, Xbox or PS3?

Whichever one my husband likes the least and will spend the least amount of time on. Then that one.

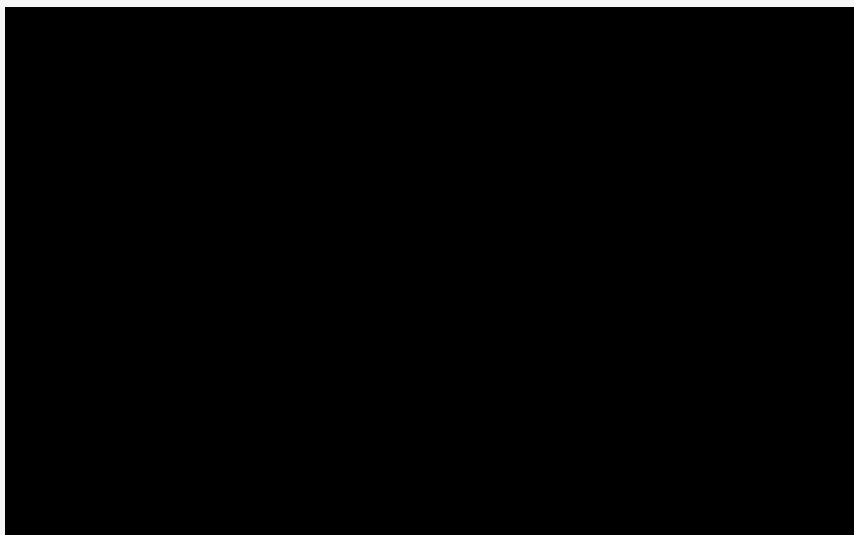

Looking forward to this Summer:

Eating ice cream. Running naked through the sprinkler. Getting arrested for public indecency. Ahhh summer.
